

WELCOME TO STUDIO TFC

Your one-stop-shop for complete video production solutions

SFIG is committed and able to provide end-to-end solutions tailored fit to our customer requirements. Aside from core transmission services using our teleport and our IPTV solutions, we are also your one-stop-shop for complete video production solutions for your personal or business goals:

- **State-of-the-art studio facility in Redwood City, California**
- **Equipment rental**
- **Professional crew with extensive experience**
- **Uplink for your program to the satellite at the time of your broadcast using our own teleport**
- **Line and post-production services:**
 - **Commercials**
 - **Audio/Visual Presentations**
 - **Documentaries**
 - **Training Videos**
 - **Seminars and Business Presentations**
 - **Media Transfers**
 - **Event Video and Photography**
 - **Biographies/Portfolios**
